The SERVICEMAN: —

Well---hurry, hurrah, and hoop-de-doo! Finally got a letter from one of you Servicemen, so's we could resume our little column. Remember, guys---without word from you, there IS no Serviceman's column! So you fellows who have neglected to write and let us know that you're getting the Byline okay, had better take pen in hand! Remember---the PEN is mightier than the SWORD (it says here in the small print!) Anyhoo---here's this week's letter, from good and faithful pal, Jimmy Wright:

SOMEWHERE IN KOREA--5/10/52

Howdy, pals: Wal, here ah go agin---Sorry I haven't written in some time, but I've been MOVING---so I haven't had time to write---and besides that, I wanted you to have my correct address. Well---now to tell you why I changed stations. (This is just between you and me, you know)---I was very busy, showing a movie to some guys---when all of a sudden, the darn film snaps in two. Well, that sort of made me just a little bit angry---then this Major walks into my projection room (I had a big sign over the door---"Keep Out", and he walked in anyway!) Well, he started to tell me how to splice the film with scotch tape. It seems we had a directive down from G.H.Q. against that practice. Now, remember that I was still mad because the film had broken in the first place---so I turns around to him and says, "Sir" (very military like), "Do I come down to your office and tell you how to run your business and then I said, "Now, on that door is a sign which says Keep Out. Not even the C.O. himself comes in here. So, would you PLEASE leave?" Well, a couple of days later I was on my way! Now, don't YOU think I was right? Or don't you? By the way, I'm still a P.F.C. ---Oh yes, I'd better tell you where I finally landed. I'm in a trucking company. Hauling supplies for one of the Corps. It isn't too bad, but as a truck driver, I'd make a good mechanic! What I know about trucks could be written on the head of a pin in long hand. But they told me I was a truck driver---so I'm a truck driver. Good thing I only got 7 more months over here, huh? Let me see---7 X 30 days is 210 days. Now---wreck a truck a day---well, it's going to be a pretty expensive 7 months, don't you think? They say I'm a truck driver. I'm proving different---so there! How does that sound? Well---enough of this. Boy, are we having some wonderful weather over here. Been swimming about three times now. The water is still just a little chilly, but otherwise feels good and wet. Swimming sort of relaxes me. I guess it's just because I must be part duck or something. Could that be it, do you think? And we have quite a softball team here, but I haven't been to a game yet. Will keep trying. That's about all the news I know for now, so write and tell me everything that is happening around our old Home Town, okay? And tell "Old Grandad" (Warren) hello for me. As ever, JIM.
(PFC JIMMY G. WRIGHT: US56054497--536 TRANS. TRUCK CO. APO 301--o/o P.M. S.F. CAL.)

Thanks, Jim, for the amusing letter. I know all the rest of the guys in Service from here will get a big kick out of it. From what I hear about DISCIPLINE over there---you're lucky you still got a PFC in your name, instead of being called PVT. MUDD!! Watch it, boy---those MAJORS, you know---! Now for some hometown news. DON WALTON is still with us, and still working on the car he bought. ART HUTCHINSON is still here, too---but he says he's not happy with the way things have turned out. Most of the pals he USED to know are 1---Married; 2---Moved Away; or 3---Suffering from Amnesia. (loss of memory.) Personally, I think it's just because he's too shy! You should see the beefy wife Marla Saylor found back east! U-2-KAN DEW IT!!

BRISBANE LARKS "SOAR" AGAIN!

JEFFERSON RELAYS AT HOLLISTER: Jefferson High was represented in the annual Hollister Relays by Runners Wayne Webb, Al Schenone, Jerry Yarborough (Brisbane) and Dol Hammon.

JEFFERSON VS. PALO ALTO--THREE GAME PARLAY: Palo Alto outslugged the Jefferson Indians in the first of a three-game series, with a score of 12 to 9. The second of the series told a different story, however, with Jefferson trouncing Palo Alto 5 to 4. The Jeffs evened the Shaunessy playoff series at one win each, and a flip of the coin designated Palo Alto as the site for the tie-off game. Then the once widespread welcome mat to the Peninsula Athletic League baseball championship was rudely pulled out from under Palo Alto as Jefferson put the Vikes out of the playoffs 8 to 7. Jefferson erupted three runs in the top of the seventh in coming from behind to nip the Vikes. Paly's Wayne Davis, who recently pitched spasmodic ball, loaded up the bases with no one out, and before he could get back any semblance of control had been touched for a single to score one run, and walked across the tying and winning tallies. Frank Mills once again came in from centerfield to put out the fire with two straight strike-outs, but the damage was done. Davis was out of control in the 1st, 3rd, and 7th innings, but in between managed to put on a creditable mound performance. The Jeffs scored three times in the initial frame on a balk and a two-run single by Pitcher DON DELBON. Paly's Bob Hamlett, plate star of the day, got on an infield single in the Vike's portion of the first to score Don Cady, who had singled, stolen second, and taken third on an error. Coach Clarence Lair's Indians ran up two more scores in the third. This time first sacker LARRY BLANCHARD whacked a two-run single to score the pair of tallies. Hamlet and catcher Ron Olmstead crossed the plate for Paly on a triple by third baseman Larry Poll in the fourth. DELBON faltered in the fifth, as the Vikes worked three singles and two Jeff errors for four runs and a 7-5 lead. DELBON was relieved by big Joe Lewkowicz, who went on to receive credit for the win. Both teams went down in order in the sixth, and Davis ran out of gas in the top of the seventh as the capacity crowd watched Paly's second title bid in two years slowly fade away. As usual, the Vikings outhit their northern foes--but it's the HUNS that count! Lineup of Jeff's team in this play-off game was as follows: WILSON, ROSA, LEVERONI, MCMAHON, BLANCHARD, DELBON, MAYNARD, TRANTHAM, GALENTE, & LEWKOWITZ. Delbon, Blanchard, and Trantham are BRISBANE boys! (Take the hint, Brisbane Larks???)---(based on a story appearing in the the BURLINGAME ADVANCE.) p.s.--IT'S THE BEARCATS (San Mateo) AND THE INDIANS (Jefferson High) IN THE P.A.L. FINALS!! The Bearcats meet the Indians in the first game of the finals at Daly City on Tuesday of this week--results later.

REPORT FROM BLAIR'S RANGERS: Overnight Hike, on Saturday, May 31st, with 28 Rangers present for duty, plus the C.O. and "CPL. TYKE"--mascot. We camped at the Eucalyptis Grove (better known as Hobo Jungle), and enjoyed the usual camp routine. Also drill, and night maneuvers. There were five recruits--D. RICHARDS, L. REECE, R. AUSTIN, W. SEEVER, & R. SEEVER (brothers.)--all in Hdqtrs. Detachments. The Seever brothers have fine new 22 Calibre Rifles, and are well equipped, otherwise I hereby thank Mr. and Mrs. Seever. We need more parents like them in this great land of ours, and I will do my part to help their sons to grow up as credits to their country, their parents, and themselves. June 14th, Flag Day, is the birthday (the 10th) of the Blair's Rangers--and Rangers are hereby ordered to have their dress uniforms in order, and all personal equipment clean. The shooting was very good Sunday, and the Non Coms had pistol practice--also the C.O. Orderly, and the Butler. The rest of those present shot with rifles and some of the HQ boys with shotguns. There will be no overnight hike Saturday, June 7th. We will have more information on the Ranger's Birthday next week. Respectfully submitted by--

L.D. BLAIR, Capt., Commanding Blair's Rangers.

JEFFERSON NEWS: SENIOR BALL: (by Margaret Penrod)--The class of June, 1952, held its Senior Ball on Friday, May 23rd, at the Jeff High Auditorium. The theme was "Moonlight Enchantment". The couples danced to the enchanting music of Bob Anderson's band. The walls were trimmed with cold tinsel stars, moons, and planets. On the stage curtain, one would have found a red silhouette of a girl on the moon, with many stars surrounding her. On either side of the front of the auditorium, were black silhouettes of dancers against brightly colored backgrounds. The P.T.A. graciously served orange punch. A few teachers and parents sat on the sidelines and watched the many couples dance. All of the girls present displayed lovely evening gowns; and the boys looked elegant in their suits and dinner jackets. The greater share of the girls wore orchids of many sizes, shapes, and colors. After the dance, many of the couples went elsewhere for the balance of the evening, and many arrived home nice and early--that is, early on May 24th! Everyone who attended the ball enjoyed themselves very much.

SENIOR DRESS-UP DAY (by Margaret Penrod): Perhaps some of you here in Brisbane saw a few of the high school students the other day dressed in clothes which looked somewhat out of this world. Well, it was Senior Dress-up day at Jefferson High on Monday, May 26th. Most of the high seniors participated in the activity. All of the high seniors had the pleasure of TWO lunch periods (cake and ice cream) and a noon dance in the little theater on the school campus. There were hill-billies, Indians, clowns, barbers (1800 stylo), dolls, children, and numerous other costume makeups. How about traveling around with me to visit all the BRISBANE graduates who dressed up?---Let's travel up into the hills; and there we will find Li'l Abner (Duane White) Yokum, in a pair of old ragged & patched overalls, and blue shirt--or what remained of what USED to be a shirt! Now, as we move further on down the hill, we will find Huck Finn (Wayne Record) sitting on a rock. Huck is wearing a pair of old overalls, an old grey shirt, and straw hat. In his hand he is carrying a fishin' pole! As we approach the bottom of the hill, we find two little girls (Pat Norberry and Sherry Lawrence). One of the little girls (Pat) is wearing a long-sleeved red sweater, a red ribbon in her hair, and a short pleated skirt of brown. The other little girl (Sherry) is wearing a white blouse, flowered short skirt, hanky pinned to her blouse, and she is carrying a large black and white teddy bear. Now that we are near the Brisbane library--there is a book I want you to see. Oh yes--here it is. On the cover we see a flapper girl (Alfreda Pistohl) of 1920. She is wearing a very dark red dress, Box fur, long black gloves, dark navy blue shoes. On the opening page we see a girl dressed in a costume from Holland (Delores Bybee). The next picture is of a setting sun in Hawaii--on a beautiful beach--and

LATE FLASHES

BRISBANE REZONING??? A proposal to rezone the entire community of Brisbane--consisting of about 2500 lots--to a duplex zone was laid before San Mateo County Planning Commission recently. Frank Skillman, secretary of the commission, said that the request was made in a petition sign by 50 residents of Brisbane. The planning commission held the first of two required hearings on the proposal on May 21st, and set the second hearing for June 18th. In the meantime, the staff is to make a survey of the community, which is unincorporated, although there are about 6000 residents. Skillman said that several protests were made to the commission against the proposal and hearings were sent to property owners. In effect, Brisbane could now be a duplex zone, Skillman said, since the community is divided into 25-foot lots. The only way to get a duplex on a 25-foot lot, he added, would be in the form of a two-story dwelling. Commissioner Danny Dees told proponents of the rezoning that he would like them to report on what effect a large duplex area, with the resultant increase in population, would have on municipal services. These questions concern adequacy of roads, sewers, water supply, and parking. Many homes in the area lack garages, and cars are parked on the streets. In addition to seeking a duplex zone for all of the present single-family residential areas, the petitioners also asked that about 10 more lots be rezoned to retail commercial uses. (from the Burlingame Advance.)

RED FEATHER NEWS: Glen O. Smalleomb, president of the Community Chest of San Mateo County, recently announced the appointment of M.W. (Bob) Reece, Western Vice President for Reichhold Chemical Company, as Chairman of the Chest's Development Committee for North County. Cities represented in the project are San Bruno, Millbrae, Daly City, Colma, South City, Bayshore, and Brisbane. Reece, an active civic leader, lives in San Mateo. Assisting Reece on his Committee will be Leon K. Manaster, T.E. Rockford, Donald K. Grant, Jerry Lee, Rod McLellan, E.E. Anderson, Frank Watson, V.E. Robinson, and J.J. Canovari. This committee is starting now to visit heads of some fifty firms in North County to acquaint them with the Community Chest and the work of its 15 Red Feather Agencies and enlist their support in bringing the Chest story to their employees. Another appointment has been made when Edward E. Keller, S.M. County Campaign Chairman for this fall's Chest campaign, has announced the appointment of Eugene D. Fletchall as Vice Chairman for North County. Fletchall is General Manager of Swift & Co. in South San Francisco. He will coordinate the entire campaign in the North County cities, including Brisbane, and will begin at once to build a campaign organization in each of the cities under his jurisdiction. --Ray K. Ingram, Publicity.

Baseball team. Other Jefferson High Students making the All-P.A.L. are Pitcher Joe Lewkowitz (First Team), and Bryan McMahon, Catcher, (Second Team.) Also making the Honorable Mention team was Isi Calente, of Jefferson (Outfielder.)

The PARTY LINE:

WESTERN DAYS QUEEN CONTEST IN FULL GALLOP!

WHO WILL BE QUEEN OF THE WESTERN DAYS??? Only the future, and good hard work on the part of the contestants and their sponsors can answer that question. The contest got underway last week, with five lovely young Brisbane girls throwing their ten-gallon hats in the ring. The "QUEENS" and their sponsors are as follows: JOANNE TUCKER--sponsored by the Brisbane Firemen's Social Club and the Brisbane Boy Scouts; BARBARA STEWART--sponsored by the American Legion Post #473 and it's Auxiliary; CAROL CHAPMAN--sponsored by the Walter A. Blair Post VFW and it's Auxiliary; JUDY WOODARD--sponsored by the Brisbane Lion's Club; and JOAN STEWART--sponsored by the Brisbane Rod & Gun Club. Each girl and her sponsoring organization are selling 25¢ tickets with a value of 500 points each. The tickets give the purchaser chances on the following items: 1st--a \$400 Home Freezer; 2nd--Clock Radio; 3rd--Sunbeam Mixmaster; and 4th--Western Style Mantel Clock. A week by week score of each Queen Contestant will be posted up on the large score board in front of the Legion Hall, until the final weeks--at which time daily scores will be shown. Interest in this contest is already causing much conversation in this area, and is expected to spread soon to other Peninsula and San Francisco County points. (CONT'D FROM SENIOR DRESS-UP DAY):

sitting under a palm tree, we see a boy (Rick Trantham), enjoying the beautiful Hawaiian weather. He is wearing a beautiful Hawaiian Lei. The following picture takes place in China, and in it we see a young Chinese dancer (Judy Woodard). The trouser part of her costume is pink, and the jacket is bordered in pink, trimming the grey & pink & white jacket. Hiding her ears are pink and white flowers.

The last picture we see can take place anywhere--except maybe with the clothes and ceremony. We see a bride leaving her home to go to the church. The bride (Margaret Penrod) is wearing a light blue net formal over a taffeta slip--a white veil, one red rose in her hair. She is carrying white daisies neatly tied with lace. Well--I hope you enjoyed our visit together. I'll see you again--sometime!

COUNTY TAX RATE HIGHEST IN STATE!

San Mateo County's average combined tax rate of \$7.72 is the highest of any county in the state, according to a report issued recently by the State Board of Equalization. The report shows that local taxes collected from Californians totalled \$834,958,618--or more than \$75 for each person, including children, in the state.

The total in the state is 6.7 per cent higher than last year. The report shows that while the average tax rate in the state is lower than that of last year by seven cents, it is more than offset by an increase of 10.8 in assessments.

While San Mateo County rates the highest with its \$7.72 per \$100 of assessed valuation, Alpine county holds the low record of \$2.51. The rate of San Francisco is \$6.21.
